The following volunteer positions require state clearances: book fair, musicals, library, lunchroom, speech meet, and sports. Remember that the clearances do take some time to get and must be on file in order to serve. The forms are available in the school office.

Asbestos Update

This notice is to inform parents, staff, teachers, students, and other building occupants at Lehigh Christian Academy that the school's asbestos material is inspected on a regular basis according to the Management Plan, as stipulated in the EPA AHERN Section 763.84 regulation.

Any identified non-friable asbestos has been sealed or encapsulated and presents no health or safety concerns to our population.

If you would like to view our report, the Management Plan, or the tri-annual inspections conducted by outside asbestos inspection companies since May 1989, please call Mrs. Williams to make arrangements. If you have any questions regarding this report, please contact the school office at 610-776-7301.
