

TRANSFORMING LCA THROUGH THE

Pa Educational Improvement Tax Credit Program

ABOUT THE EITC PROGRAM

The Educational Improvement Tax Credit (EITC) program allows individuals and business owners the ability to repurpose their PA state income tax liability to a non-public school like LCA for the sole purpose of scholarship funding. This is a wonderful opportunity to bless families of the Lehigh Valley with access to Christian education at a very low cost to you. We view participation in this program as a way to plant seeds for God's Kingdom. We hope you will consider taking part in this with us!

STEPS IN THE PROCESS

STEP 1

Consult with your tax professional to determine your annual tax liability and giving capacity

STEP 2

Fill out a one page commitment form, making a two-year commitment to participate in the EITC program through CTF/ACSI.

STEP 3

Complete your membership agreement and make your contribution within 60 days of your notification from CTF staff.

STEP 4

Early in the new year, CTF prepares and sends you a schedule K-1 form to prepare your tax return for the eligible tax year.

POSITIVE OUTCOMES

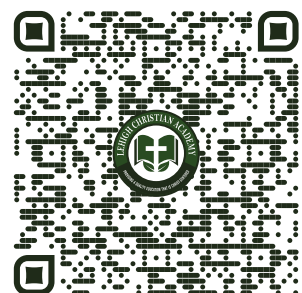

ACCESS TO CHRISTIAN EDUCATION

- Allowing more families the opportunity to receive a quality & safe Christian education.
- Reducing financial burdens of families already attending LCA.

FINANCIAL FLEXIBILITY & GROWTH

- LCA allocates \$50,000 out of its operating budget for scholarship funding. Growing our EITC funds would allow us to reallocate those funds to other key areas of growth and development.
